

1406-1415

206th Pope

Gregory XII

Venice, Italy. A Council was convened by a number of cardinals at Pisa to stop the schism, but resulted only in the election of another doubtful Pope. Gregory XII resigned finally at the General Council of CONSTANCE in 1415 under the condition that the

the Council be for its legitimacy
convoked by his authority, and then
should elect Another Pope to
succeed him. The Council Condemned
the heresy of WYCLIFFE & HUSS
